

# Recess

## Equal Opportunities

In order to apply for funding to provide additional equipment for the club Recess has to demonstrate to grant making organisations that we are meeting the needs of young people within the area. One way we can do this is by collecting the ethnic background of club members and comparing it with the ethnic background of the area as shown in the 2001 census data. We would be grateful therefore if you could complete this form by choosing ONE section A to F, ticking the appropriate box to indicate your cultural background and returning it along with your membership application form.

We are using the categories specified by the Equality & Human Rights Commission and adhere to their guidelines for collecting this information, which will be kept in complete confidence and only used for statistical analysis. Specific details will not be divulged to any third party.
