

Rising Generations Lead

Jubilee Church, Bromley

How to apply

If you are excited by this opportunity, are able to demonstrate your eligibility to work in the UK, and believe your theology, values and ministry practice are consistent with those of Jubilee Church, we invite you to submit the following:

- a covering letter (maximum of 1,000 words), explaining why you are applying for the role and how your experience, gifts and calling match the requirements of the person specification.
- a short video (no more than two minutes) introducing yourself and explaining why you are excited about this opportunity and what particularly attracts you to Jubilee Church*.
- a full CV, including responsibilities held and relevant achievements,
- the details of two individuals whom we may contact for a reference; one should be a recognised leader from your current church (for example, a pastor, elder or ministry leader), the other a senior representative from your current or previous employer who is qualified to provide a reference, such as a director or Human Resources Manager.

Please send this information to Derek Holl at:

**The closing date for applications is
11:59pm on Monday 14th September 2026.**

Our recruitment process

Rather than relying solely on written applications, we hope to begin the recruitment process with an informal online conversation with a small number of applicants whose experience and gifts appear to be a good fit for the role. This will provide an opportunity for us to get to know one another, explore your experience and sense of calling, and answer any initial questions.

Following these conversations, a smaller number of candidates will be invited to participate in our final selection process. The final selection process will include meeting members of the Leadership Team and key volunteers, experiencing the life of Jubilee Church firsthand, delivering a short presentation and taking part in a panel interview.

* Please don't worry about production quality. A simple video recorded on a phone is perfectly acceptable. We're interested in getting to know you, not in your video-editing skills.

Our commitment to safeguarding:

Questions about the role:

We recognise that applying for a new role involves prayer, discernment and careful consideration. **We look forward to receiving your application
and to prayerfully discerning together whether God may be calling you
to this exciting next chapter of ministry.**
